

*Best in Class*

EXCLUSIVELY FROM BECKER  
**BECKER GENUINE PARTS**

**Increase the Longevity and Performance of your Vacuum Pumps, Compressors and Blowers**

Only **Becker Genuine Parts** are specifically engineered, manufactured and tested to deliver the optimal performance of your Becker vacuum pumps, compressors and blowers. Becker Genuine Parts maximize the life of your equipment, lower your annual maintenance costs, and maintain valuable warranty coverage.

Consider keeping a Becker Preventive Maintenance Kit on the shelf to ensure you have all the components on hand for regularly scheduled maintenance.

**We stock a full range of Becker Genuine replacement parts.** Our knowledgeable staff can help identify the right part and make sure you get it when you need it! Just call our USA headquarters at 888-633-1083 or email: [info@beckerpumps.com](mailto:info@beckerpumps.com).
